

# Huron High School COVID-19 DASHBOARD

Updated on October 16, 2020

Huron High School will share an updated COVID-19 Dashboard graphic within 24 hours of a positive case identified within the HHS school community (per MDHHS order) and will send an email letter to the HHS school community (per WCHD protocol).

When HSD administrators receive notification of a positive case, they connect with the county health department who traces, and directly contacts those in close contact of that person.

Due to regulations, including the Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA), no personal information will be given.

1/2

# of students confirmed positive/\*Cumulative

0/0

# of staff members confirmed positive/\*Cumulative

9/42

# of students in quarantine/\*Cumulative

0/0

# of staff members in quarantine/\*Cumulative

**\*Cumulative:** Total individuals since the start of the school year and are no longer in quarantine due to being a positive case or a close contact to a positive case combined with the number of current positive cases or those in quarantine.

**NOTE:** A student or staff member in quarantine does not equal a positive case, as they could be in quarantine due to direct contact or displaying symptoms.
