

Huron High School Parking Permit 2023-2024

We encourage all students to take full advantage of our bus transportation if they live in the district. However, when a student finds it necessary to drive, the school district is not responsible for any injury or loss incurred by the student in route to school, or the return home, and/or while the vehicle is parked on school grounds.

During the school year, only vehicles with a HHS parking permit for the current year will be allowed to park on school premises in designated areas. The Cost is **\$40.00**.

Students who do not have the official HHS Parking Permit will not be allowed to park on school property. Students violating this policy could have their vehicle towed at the owner's expense and be subjected to a ticket by the Huron Township Police.

Please note: Students need to plan accordingly to be to school on time (no later than 7:40 am). Arriving a minute before school starts is not planning appropriately. All external doors entering the school are locked and students will need to walk to the front of the building to enter through the office. Teachers will then mark your attendance accordingly.

Administration has the right to search any vehicle parked on school property when the "Safety of students is involved", a violation outlined in the student handbook has been violated or Administration has reasonable cause to suspect. This should also be noted for students sharing a vehicle with another student or adult- please make sure nothing illegal is brought onto campus even if it is not the property of the student driver.

During the school day, students who are in the parking lot without Administration's permission are subject to lose his/her driving privileges and are subject to other disciplinary actions. Also, leaving school property without Administration's permission including signing out for lunch is not permitted. Students must drive safely and slowly on school grounds abiding safety procedures.

Failure to follow these guidelines and the ones outlined on the back of the sheet will result in a minimal loss of driving privileges for two weeks to the permit being completely revoked without a refund and any other disciplinary actions that are appropriate for misuse or inappropriate behavior.

STUDENT PARKING PERMITS

Students who drive or ride a motorized vehicle to school will park in the Student Parking Lot or areas designated by the Assistant Principal (Mr. Tomasek). The vehicle may not be moved until the student is dismissed from school. Students must receive written permission from an administrator to park in an area other than the student parking Lot.

Students who park in an unauthorized area may be ticketed and/or towed at their expense.

If a student must leave school for an emergency, the student must obtain administrative permission. Failure to adhere to the regulations will result in the student's parking privileges being revoked.

GENERAL REMINDERS
