

PARKING PERMITS

We encourage all students to take full advantage of our bus transportation. However, when a student finds it necessary to drive, the School District is not responsible for any injury or loss incurred by the student enroute to school, or the return home and or while the vehicle is parked on school grounds.

During the school year, only students who have the Huron High School mirror-parking permit will be allowed to park on school premises. The permit will cost \$20.00. Students who do not have the official Huron High School parking permit will not be allowed to park on school property. If a student's automobile is in the parking lot without an official permit, it may be towed at the owner's expense. Our office hours are 8:00a.m. to 3:00p.m., Monday through Friday, for your convenience. Please fill out the form below and present it to Mrs. Vogel for your permit.

Administration has the right to search a vehicle on school property when the safety of other students is involved.

Any student in the parking lot without permission will lose driving privileges for 2 weeks. Leaving school property with an automobile will result in a two-week suspension of parking privileges. Huron High School has the right to revoke students' permit if they fail to drive safely and courteously while on school property.
